The District arranges with the Brevard County Property Appraiser to include the Assessment fee on your annual property tax notice and with the Brevard County Tax Collector for processing said payment. Although this approach is for the owner's convenience and reduces the Districts' cost, it creates the potential for loss of your property in the event of non-payment of taxes.

b. The District shall provide to each residential lot owner recreational facilities, basic cable service and lawn maintenance service consisting of periodic mowing. No trimming or pruning of hedges, trees or bushes shall be included in said lawn maintenance. Lawn maintenance shall be provided by the District at such intervals as the District may deem necessary and convenient. The District may, at its option assign its right to provide the lawn maintenance services above described; to any person, firm or corporation of its choosing.

c. No residential lot owner shall be excused from the payment of the assessment because of his or her failure to use the recreational facilities, lawn maintenance service, basic cable service, or any part thereof.

d. It is further provided that all recreation facilities provided by the District shall be owned and operated by the District and that in addition to the assessment above set forth the District shall be entitled

to receive fees for additional services provided. Said additional charges shall be rendered only for services actually performed and goods or products actually sold. Each lot owner shall be permitted to utilize the recreational facilities from time to time, subject to reasonable use rules and regulations prescribed by the District.

Except as is otherwise provided for in this Declaration relating to lawn mowing by the District all lots shall be maintained by the owner of such lot in good appearance free of underbrush, weeds, rubbish, and accumulation of personal property, except items such as patio or porch furniture, and barbecue grills. The exterior of the homes shall be free of mold, mildew and/or dirt which are visible when the home is viewed from the street or any adjacent lot. The District, its agents or employees, shall have the right, but not the obligation, to enter upon any lot to cure any violation herein. Any such curing, maintenance or repair shall be at the expense of the Owner of the lot on which the violation has occurred or exists which expense shall be payable by such Owner of the lot to the District as a result of the Districts abating or curing violations and shall be due and payable within twenty on (21) days from the date of mailing of a statement by the District as provided for under **Rules and Regulations Violation Time-Line**. Entry to cure any violation shall not be a trespass. The rights of the District described in the section shall not be construed as a limitation of the right of the District to prosecute proceedings as law or in equity for the recovery of damages against persons violating or attempting to violate these covenants or for the purpose of preventing or enjoining any violations or attempted violations. The remedies contained in this section shall be construed as cumulative of all other remedies provided at law or in equity. The failure of the District to enforce the Declaration, however long continuing, shall not be a waiver of the right to enforce the Declaration at a later time.
