The Workshop Board of Trustee Meeting of November 26, 2018 was called to order by Chairman, Keith Rittscher, at 7:05 p.m. After the Invocation and Pledge of Allegiance roll call was taken. Present were Keith Rittscher, Bob Shortridge, Ellouise Ratto, Joanne Gaughan, Allison Kelly, Kendra Bender, Helen Ferguson, Jack Emerich and Sheree Morris, District Manager. Absent was Trustee Barbara Whitneck.

The Chairman announced that approval of Minutes of 11/2/18 and 11/12/18 would be tabled until the next Board meeting to allow Trustees time to read them.

The Treasurer reviewed her report (copy attached) and stated Holiday Park is financially sound and \$97,000 under budget. Future discussion will take place regarding how to wisely spend the money that won't be used in paying off Loan #1 due to it being paid in full in May 2019. Resident Bob Shearer suggested we pay down other loans while resident Sal Cursi suggested consulting a Financial Planner, but it must be a Government Financial Planner. Bob Shortridge made a motion to accept the Treasurer's Report, second by Allison Kelly; motion carried.

Jack Emerich made a motion to accept Terry Steinman as an approved ACC alternate. Second by Bob Shortridge; motion carried. The ACC Board will swear in Mr. Steinman.

The District Manager proceeded to give her report (copy attached). Sheree Morris added to the report that holes in our roads would be fixed and sealing may take place in the spring when we have a smaller population in the Park. Allison Kelly asked that a monetary breakdown for the cost of Spectrum adding internet service to our monthly contract charge be given at the next Board meeting. Kendra Bender made a motion to accept the District Manager's report, second by Helen Ferguson; motion carried.

Bob Shortridge began his presentation of a suggested new storage compound by stating it is ONLY a presentation for all to contemplate prior to discussion and approval or disapproval by the Board of Trustees. Photos showed the area of where trees would be removed adding 24 new spaces. An improved view would be comprised of 5-6 foot hedges in front of green fencing. Discussion of the mill to be laid down took place; Ron Miller asked if 7 loads would be enough and Sal Cursi asked if the mill was to be concrete or asphalt. Steve Fawcett asked if there would be lighting or any type of security. Ellouise Ratto questioned how many spaces would we truly be adding if the old compound was to be revamped to have larger spaces. Bob Shortridge said he would look into all these concerns.

Under Old Business Allison Kelly reported the pool reels have been ordered and the 2 new covers have arrived.
