### MANAGER'S REPORT December 2012

Summarized below for your review is the status of various District projects as well as certain activities of the Board's staff.

1. Facility Maintenance

The grounds crew has been replacing/upgrading traffic control and information signage, and repainting sign posts. They have also been painting/re-painting stop bars and the directional exit signs. An annual street name sign replacement program is being prepared to facilitate annual budget requests.

2. Deed restriction - compliance program status

As a result of continuing violations the District has contracted to clean up the properties located at 1185 Greenview, 220 Berry, 101 Cheswick, 146, 194, 357 & 383 Holiday Park, 1285 Dove, and 1042 Moonlight. The owners have been invoiced for the cost. Payment for work at 220 Berry has been received. Lien filing for 220 Blossom, 1183 Greenview, and 357 Holiday Park are in process; liens will also be filled on the other properties if reimbursement is not received within the grace period.

3. Pool # 1 (heated) - Cover Replacement

With in-house repairs the service life of the "thermo-blanket" system (used to reduce heating costs) was extended for two additional years, however it now requires replacement. Price quotations will be present to the Board in February.

District Manager

The District Manager is scheduled to retire February 15, 2013, and the position has been advertised (210 resumes have been received to date). Procedures for evaluating candidates are scheduled for consideration by Board during the January 8, 2013 meeting.

5. Americana Blvd. - Fence

After the recent theft of golf carts steel wire ties securing the fabric sections were installed along ~50' offence adjacent to the Gate. It was recommended the District install "guardrail" (for example a 12' sections on each side of the gate directly in front of the fence would cost around \$1200) and if desired quotes will be obtained for Board consideration.

6. Financial Audit 2011-12

Preparation of the Financial Audit for the fiscal year ending September 30, 2012 is proceeding on scheduled to be completed in February.

7. Boundary Fence/Security - Primary Strom Drainage Ditch

During their February 26, 2013 meeting the Melbourne Tillman Water Control District's Board is scheduled to consider our plan to extend the fence to limit unauthorized access.

Memo Number 13-01

### **MEMORANDUM**

To: Board of Trustees

From: Richard Anderson, District Manager

Date: January 4, 2013

Subject: District Manager – Application Evaluation Procedure

The position announcement was advertised in Florida Today (5 days) and CareerBuilder (attachment #1 and #2), posted on our Web site (attachment #3), and included in the Florida League of Cities' "Classified Ads" (attachment #4), with a January 10, 2013 closing date.

As a pay range was not advertised we anticipated a large number of responses (203 received to date), however it appears most of the applicants may not have the necessary training and experience.

To expedite the review process I recommend that the Board determine the evaluation procedures to be utilized. One approach might be:

- A) The Board to selects \_\_(3?)\_\_\_ Trustees, each of whom would independently screen the resumes and indentify \_\_\_ (7?) of the applicants that should be considered further. Due to duplicate selections I anticipate about 15 would be short-listed, and each would be requested to complete our formal application form (attachment #5), including their salary/compensation requirements.
- B). Copies of the applications of responding short-listed candidates would be distributed to each Trustee for ranking of their 3 top selections. The \_\_\_ (5)? \_\_\_ highest rated candidates would be invited for an oral interview.
- C. In addition to the traditional approaches, interviews could be conducted "in rotation" (the system used when I was interviewed); Trustee at separated tables meet with each applicant for up to \_\_\_ (10?)\_ minutes, and then rank them. (Suggested questions, evaluation format and rating forms will be provided to Board Members to facilitate the selection process).
- D. The \_\_(3?) \_\_ highest ranked candidates would be scheduled for formal interviews at a Board meeting, after which either: 1) A motion could be considered to authorize \_\_\_\_ to verify the education, experience, references, etc. and negotiate a proposed employment agreement with the highest ranked candidate for subsequent Board approval, along with a second choice if negotiation of an employment contract cannot be completed timely, or 2) . . .

### **MEMORANDUM**

To:

**Board of Trustees** 

From:

Richard Anderson, District Manager

Date:

November 9, 2012

Subject:

Pay Adjustments

Sharon Johnson and Cheryl Ennis were hired in December 2010 at \$12.00 per hour. The pay rates were increased to \$12.36 effective October 1, 2012, to coincide with deductions for health insurance which resulted in a net hourly rate to \$11.80 for Sharon and \$11.96 for Cheryl.

After reviewing their levels of performance, what they have accomplished during the past two years and using the City of Palm Bay's pay scales as a guide, I recommend an increase for Sharon Johnson to \$14.75 (duties and responsibilities similar to the City's Customer Service Representative class, \$14.97 - \$22.64). In addition I recommend the pay rate for Cheryl Ennis be increased to \$16.50 (City's Administrative Coordinator, \$16.27 - \$24.36 and Administrative Assistant \$16.74 - \$25.07).

The net change in payroll costs and whether a budget amendment will be needed will depend on retention and the new District Manager's compensation. As a result I will delay implementation pending Board review, which could be added to the November 13, 2012 agenda if desired.
