ARTICLE I ARCHITECTURAL
CONTROL COMMITTEE

Section 1 Architectural Control Committee

The Architectural Control Committee is an established group of residents appointed by the Board of Trustees. The Board of Trustees has approved Rules and Regulations and policies for the ACC. The ACC's purpose is to assist lot owners with navigating and understanding the Deed Restrictions, Rules and Regulations, and Policies as they relate to home and property improvements. The ACC may also assist the District with enforcing the provisions of Article I. The Board of Trustees shall have the power to adopt and change the ACC's, Rules and Regulations, and Policies to meet the current needs of the community. The ACC shall abide by the Florida Public Records and Open Meeting (Sunshine) Laws. A completed ACC application must be submitted to the ACC for approval.

Section 2 Requirements for ACC Approvals

No structure, add-on, or accessory may be placed thereon without the prior written consent and approval of the ACC as to location, position, setback, and architectural quality. In considering whether to grant such approval, the ACC shall consider, among other things, the general aesthetic appearance of any such structure, add-on, or accessory, its effect upon neighboring lot owners, and its effect upon the community.

Section 3 Architectural Design and Installation Requirements

Each mobile/manufactured home placed or installed upon any lot within the District shall conform to the PORT MALABAR HOLIDAY PARK MOBILE HOME PARK RECREATION DISTRICT ARCHITECTURAL CONTROL COMMITTEE Rules and Regulations.

Each mobile/manufactured home shall be of a width of not less than sixteen (16) feet.

Each mobile/manufactured home shall be inspected and approved by a majority of members of the ACC as to the age, appearance, conditions, and structural standards.

Each mobile/manufactured home must be connected to central water and sewer systems serving the premises. No private wells or septic tanks shall be permitted. No gas appliances of any kind are permitted. However, gas barbeque grills designed for outdoor use may be used provided propane tank is not larger than 30 lbs. and designed for such use. No bottled gas tanks or fuel oil storage tanks shall be permitted on, above, or under any lot.

Section 4 Requirements for Removal of Home

(A) In the event that a mobile home located on a lot should be removed for any reason the lot owner shall have 90 days to either install a replacement mobile home on the lot in accordance with these Declarations or, if no replacement home is to be installed, remove the home pad or slab, any accessory structures and the accompanying slab or pad for such accessory structure and any debris, property or other improvements including landscaping, except utilities, and at the time the home is removed and after all pads/driveways and or structure's debris, property or other improvements are

removed the property owner shall grade and sod the lot to prevent erosion using a "drought tolerant" variety of grass such as Pensacola or Tifton 9 Bahia grass (hereinafter referred to as "Remedial Work").

(B) Should a catastrophic event occur preventing an owner from meeting the requirements of this paragraph, an application for extension should be made to the ACC where the need for an extension is documented, reviewed, and granted by the Committee. In the event that a replacement mobile home is not installed on such lot or if the lot owner fails to conduct the Remedial Work, the District shall have the right, but not the obligation, to conduct the Remedial Work.

(C) Prior to the District commencing the Remedial Work, the District shall give 30-day written notice to the lot owner at the last known address on file with the District, via certified mail, return receipt, of the District's intent to perform the Remedial Work.

Consideration will be given to the lawn maintenance provisions hereinafter set forth, whereby the District will provide lawn maintenance, including the mowing of all lots. No fence, hedge, or landscaping features shall be placed, altered, or be maintained on any lot so as to obstruct or hinder the mowing of all lots in each block as a unit by power mowing equipment.

ARTICLE II
RESTRICTIONS ON USE OF LOT

Section 1 Residential Use

(A) All numbered lots are designated as residential lots which shall not be used for any other purpose than the housing of one (1) single family.

(B) No trade, business, profession, or any other type of commercial activity shall be conducted on any lot.

Section 2 Limitation on Residential Lot Ownership

The number of residential lots owned by any one owner of a lot in Port Malabar Holiday Park, Unit One and Unit Two is hereby limited to one (1).

The purchase of a Holiday Park unit must be owner occupied for a minimum of three (3) years prior to requesting District approval for rental purposes.

Recognizing the fact that a current resident may wish to move within the Park, an application is to be made through the District Office for temporary dispensation of the one unit per owner restriction. The original property must remain unoccupied until final sale.

The number of rental units within Holiday Park is limited to 20% (140) of total lots.

Any person renting a unit or part of a unit shall first make an "APPLICATION FOR RENTAL or NON-OWNER" with the District Office prior to renting/occupancy. The "APPLICATION REGISTRATION and APPLICATION FOR RENTAL or NON-OWNER" shall be provided by the District and the form of such applications shall be approved by the Board of Trustees. Nothing herein shall affect the ownership of any residential lots in excess of the lot ownership limitation herein, which predates the effective date of the referendum approving this section (hereinafter referred to as 'Non-Conforming Ownership Lot'). Provided, however, that in the event an owner of a Non-Conforming Ownership Lot divests themselves of such lot they shall not own any new lot if such ownership would cause a violation of this section. The term "owner" shall mean an individual person, a business organization, or a related entity of such individual person or business organization. For purposes herein the term "individual person" means any person who owns a residential lot in their individual name, including a life estate or remainder interest, or in joint names with another, including but not limited to joint tenants with right of survivorship, tenants in common, tenants by entirety or similar designation. The term "business organization" shall mean to include but not limited to, a corporation (either profit or non-profit), any form of partnership, a joint venture, or a limited liability company (LLC), a trust, including a real estate trust, revocable trust, or irrevocable trust. The term "related entity" shall mean a business organization, where the legal, equitable or beneficial ownership interest in such related entity is owned by an individual person or other business organization that owns a lot or lots in Port Malabar Holiday Park, Unit One and Unit Two."

Section 3 Resident Age Requirement

PORT MALABAR HOLIDAY PARK is a community intended and operated as "housing for older persons." Each non-vacant home shall be occupied by at least one (1) person fifty-five (55) years of age or older. All other occupants residing in the home must be at least forty (40) years of age.

The age of prospective occupants shall be verified through a birth certificate, picture identification, or valid driver's license. Notwithstanding the above, if a home previously occupied by a family member ceases to meet the requirements of this provision as a result of death or permanent institutionalization of the occupant aged fifty-five (55) or older, the remaining occupants shall be allowed to continue to occupy the home. The provisions of this paragraph (age 55 requirement) shall apply to any subsequent tenant sale, lease, rental, devise, transfer, or other conveyance of the home in which the remaining family resides. For purposes of this paragraph, an individual shall be deemed to be permanently institutionalized if said individual is committed to or placed into a nursing home or a mental or physical health institution upon suggestion or recommendation of a licensed medical physician for a period exceeding eight (8) weeks.

Should unforeseen circumstances exist thereby preventing an owner from meeting the age requirements of the District, an application to the Board of Trustees must be made by the resident

owner. The resident will have the opportunity to submit their "hardship" claim to the Board of Trustees who has the authority to review and vote on the application in a public meeting.

Section 4 Caregivers

A Bona fide Caregiver is described as an individual at least 18 years of age who is essential to the care and well-being and who is physically capable of assisting the resident with activities of daily living and providing necessary medical care to another individual, family member, home owner, or renter who is otherwise unable to reasonably function without the caregiver's services or an individual who holds, at minimum, a current valid CNA License. The resident must verify the need for the live-in aide. Verification that the live-in aide is needed to provide the necessary supportive services essential to the care and well-being of the person must be obtained from the person's physician, psychiatrist, or other medical practitioner or health care provider.

The District Manager shall approve a bona fide caregiver's occupancy if the services of a caregiver are required by the resident individual who is otherwise unable to reasonably function without the caregiver's service and such services are recommended to the resident individual by a licensed medical physician. A Caregiver's Application must be submitted every 6 months for approval. The application is available in the District Office for authorizing this service. If the owner or renter dies or is permanently institutionalized, the caregiver shall no longer be allowed to reside in the unit.

Section 5 Visitors

A resident must call the gate to allow access for all visitors by requesting a day pass. This includes access for all professional services, contractors, delivery services, etc. that may be needed by a resident.

Section 6 Guests

Guests are allowed to stay with a resident for a maximum of twenty-one (21) days or less per visit, two (2) times a year with minimum of thirty (30) days between each visit within any twelve (12) month period. Residents must call the office to register their guest and to arrange for an extended pass, if applicable.

The Board of Trustees may consider special circumstances for stays longer than twenty-one (21) days. An application for this purpose is available in the District office. The Board of Trustees has the authority to review and vote on the application in a public meeting.

Section 7 Maintenance of Lot and Exterior of Home

All lots and exterior of homes shall be maintained by the owner of such lot in good appearance free of underbrush, weeds, accumulation and storage of personal property, except items such as patio furniture, bicycles, refuse containers and barbecue grills. The exterior of the home shall be free of mold, mildew and/or dirt visible when the home is viewed from the street or any adjacent lot. The District, its agents or employees, shall have the right, but not the obligation, to enter upon any lot to cure any violation herein. Any such curing, maintenance or repair shall be at the expense of the owner of the lot

on which the violation has occurred or exists. The expense shall be payable by such owner of the lot to the District as a result of the District's abating or curing violations. Payment shall be due and payable within twenty-one (21) days from the date of mailing of a statement by the District. Entry to cure any violation shall not be a trespass. The rights of the District described in this section shall not be construed as a limitation of the right of the District to prosecute proceedings as law or in equity for the recovery of damages against persons violating or attempting to violate these covenants or for the purpose of preventing or enjoining any violations or attempted violations. The remedies contained in this section shall be construed as cumulative of all other remedies provided by law or in equity. The failure of the District to enforce the Declaration, however long continuing, shall not be a waiver of the right to enforce the Declaration at a later time.

All refuse shall be kept in containers of the type provided by the city's waste removal company and shall be kept on the carport, the rear of the home, or storage shed at all times. Trash and yard waste containers may be placed for curbside pickup not before 5:00 P.M. the day prior to pick-up and must be removed from curbside the day of pickup.

All mobile/manufactured homes in the District must be appropriately skirted to conceal under carriage. Provisions for skirting material on home are provided for in the Rules and Regulations of the ACC.

Occupants displaying the gate access decal shall be admitted to the District without having to stop and check in at the entrance with the gate attendant. All motor vehicles not properly displaying the gate access decal shall be required to stop at the District's entrance gate, check in, and obtain a temporary pass.

All District residents shall comply with this Deed Restriction from the date they begin residing in the District. Any person who is required to display a decal that does not have the required decal shall be given a written notice to comply. Any person who fails to comply after being given such notice shall be subject to fines and enforcement of this Deed Restriction and by all available legal remedies including reimbursement to the District for all costs incurred, attorney and court fees caused by civil enforcement. A resident has the opportunity to submit a claim to the Board of Trustees to review and resolve.

(B) Gate access decals shall be issued free of charge to all property owners and are reissued on a two (2) year schedule provided that a copy of a valid vehicle registration listing the property owner(s) name is

provided to the District office. A maximum of two (2) decals shall be issued to each owner meeting these stated requirements.
